### **Kenya Airways to Increase Flights to London to 11 Times Weekly**

*Customers to enjoy travel to London 11 times weekly*

**Nairobi, 31<sup>st</sup> October 2022** – Kenya's national carrier, Kenya Airways (KQ), has today announced increased flight frequencies on the Nairobi – London route to eleven (11) times weekly, effective 3rd November 2022. The increased flight frequencies will cater to this route's increased demand and provide KQ customers with increased flight options in the upcoming winter season.

KQ will operate daily flights with two on Wednesday, Thursday, Saturday and Sunday (morning and evening). Flights are open for booking via KQ's website; [www.kenya-airways.com](http://www.kenya-airways.com), travel agents and Online Travel Agents (OTAs)

**-Ends-**

#### **About Kenya Airways:**

Kenya Airways, a member of the Sky Team Alliance, is a leading African airline flying to 42 destinations worldwide, 35 of which are in Africa. Prior to the COVID pandemic, the airline carried a record number of over five million passengers in 2019. Its fleet comprises of wide body Boeing aircrafts, this includes its flagship B787 Dreamliner and narrow body Embraer E190 aircrafts. The on-board service is renowned and the lie-flat business class seat on the wide-body aircraft is consistently voted among the world's top 10. Kenya Airways takes pride in being at the forefront of connecting Africa to the World and the World to Africa through its hub at the new ultra-modern Terminal 1A at the Jomo Kenyatta International Airport in Nairobi.
