

## **POSITION STATEMENT**

### **DEMISE OF A PASSENGER AT JOMO KENYATTA INTERNATIONAL AIRPORT (JKIA)**

Kenya Airways PLC (“KQ”), regrets to announce that a passenger developed breathing difficulties this evening while boarding KQ612 that was scheduled to depart for Mombasa at 1900hours.

The passenger was pronounced dead by medical personnel at JKIA while the aircraft was still on ground.

The JKIA Health and Security agencies are currently handling the issue.

We convey our deepest condolences to the family and friends of the deceased during this difficult time.
